MEMPHIS.

WEDNESDAY MORNING, FEBRUARY 5 OFFICIAL JOURNAL OF THE CIT

The Circulation of the DAILY APPEAL is larger than that o the Daily City Press Combined.

## THE EDITORIAL CONVENTION.

From the Atiants Confederacy The Mayor of our city, Hon James M. Ca city, and tenders them the use of the City Hall. We take the liberty to appoint Wednesday, the I day of March, as that day has been suggested by number of our exchanges, and will, in our judgment, h tost suitable. The business can be got through with and We invite every Telegraph Company in the Confedersic States to have a representative here at the time.

THE NEWS.

Our special dispatch this merning from Fort it will meet with the unqualified condemnation of look out for something from here soon. Henry gives the intelligence that the enemy has every loyal citizen of the Confederate States. again made his appearance up the Tennessee | While we are at war with the United States, and river. On yesterday three gunboats and five the people of that government are waging, a bartransports advanced within two and a half miles of the fort, the former exchanging twenty shots | homes, burning our towns and relentlessly per- Republican says that the reports which have with our guis, and the latter landing troops on secuting our citizens without respect to sex, we been published of disastrous results to the health ine east bank of the river below, with the view, it is throught, of making a speedy attack. The move seems to be utterly purposeless, unless its moved, shall be punishable by expulsion, if by a B Little and J. Edwards, aeriansly wounded: move seems to be unterly purposeers, unless its seem as a country purposeers, unless its seem and been moved, and if by any officer of the House or Corporals W. W. Rogers and B. F. Williams, were steamers, all inside the bar, and about 20 war with vigor and snecess. Henry or Fort Donelson. our son.

The foreign news, both from the United States and from Europe, will also be found quite interesting this morning.

GEN. GEO. B. CRITTENDEN. The later and more authentic reports received from the battle of Fishing Creek, which fill the columns of some of our exchanges, show the are three propositions before Congress for Conextent of the injustice done Gen. CRITTENDEN federate aid in the completion of railroads. I by the reckless imputations cast upon his loyalty. The extension of the Danville toad, as recomby some of the press of this State. These pub- mended by President Davis. 2. A road through lications, based upon the vague and unauthori- Texas. 3. The completion of the Memphis and tauve statements of oreatments of the firing of a term and at the assections of the firing of a term and at the assections of the firing of a term and at the assection of the tative statements of breathless fugitives from the Little Rock railroad. This last is first on the field, pretended in some instances to produce the docket and as the Whig remarks, presents very evidence of his treason with all the minute and circumstances of detail that would be only requires a loss of \$500,000, in Confederate of Principle combatted by Mr. Stevens, of Pennsufficient to convict a felon arraigned before a bonds, to ensure its completion by early sumjury in a civil court of justice. A degree of mer. Aid to all these roads is asked on the ground romance was even thrown into some of these nar- of their importance to the military operations of ratives, rendering them so plausible and attract the government. It is underiable that they intive that the credulous reader was inclined to be- troduce a dangerous precedent, but the salvation lieve them, as truth is sometimes stranger than of the country is the supreme law. We suspect fiction.
